Pre-Application Meeting Request

Please fill out the following information and return to: Rebecca.Treitz@state.co.us

Please note that ALL pre-application meetings are scheduled for 30min and are held on Thursdays from 9-10am. Additional time may be granted for OGDPs with multiple Locations. Please limit presentations to 10-15min to allow for questions from staff.

Oil & Gas Location:

- New Location or Amended:
- Location Name (and Loc ID# if Amended):
- Legal Description (Qtr/Qtr Sec, Twp, Rng):
- Lat/Long:
- In High Priority Habitat? Yes/No
- Approximate Number of Well(s):
- Number of Building Units, including Residential within 2,000 ft.:
- In a Disproportionately Impacted Community:

Operator:

- Operator Name and Number:
- Contact Name:
- Contact Phone:
- Contact Email:
- Meeting invitees:

Additional Information:

Please attach the following items with your Pre-Application Request

- Development Area Drawing - a simple schematic showing the proposed mineral development area and Location(s). Include information about any existing or proposed DSU(s) that will be developed by this OGD.
- Proposed Directional Well Plat - a formally surveyed plat is not necessary; a simple schematic showing the anticipated number, orientation, and length of wellbores is adequate.

Once information has been received the ECMC will contact the Applicant and schedule a meeting within fourteen days, as schedule allows, for this submitted request.
