

“Clean-up Rulemaking” Stakeholder Meeting II Agenda

**July 16, 2014
3:00 to 5:00 p.m.**

The Colorado Oil and Gas Conservation Commission will consider additions and amendments to the Commission’s Rules of Practice and Procedure, 2 C.C.R. 404-1. On January 19, 2012, Executive Order D 2012-002 directed Colorado’s state agencies to undertake a periodic regulatory efficiency review of their rules. This “Clean-up Rulemaking” is part of that review and is designed to make Commission Rules easier to understand and more consistent, effective, and efficient.
