

BEFORE THE OIL AND GAS CONSERVATION COMMISSION
OF THE STATE OF COLORADO

IN THE MATTER OF CHANGES TO THE RULES OF) CAUSE NO. 1R
THE OIL & GAS CONSERVATION COMMISSION OF)
THE STATE OF COLORADO TO CONSIDER) DOCKET NO. 1112-RM-04
HYRDAULIC FRACTURING DISCLOSURE RULES) **AMENDED**

NOTICE OF CONTINUED RULEMAKING MEETING

TO ALL INTERESTED PARTIES AND TO WHOM IT MAY CONCERN:

On December 5, 2011, the Commission heard public comment and party presentations on proposed rules governing the public disclosure of hydraulic fracturing chemicals. The record was closed at the conclusion of this meeting. Deliberations on the matter were continued to December 12, 2011, **however, the meeting has been RESCHEDULED for Tuesday, December 13, 2011, at 8:00 a.m. in the COGCC Office.**

On **December 13, 2011**, at 8:00 a.m. the Commission will proceed with deliberations in its rulemaking for purposes of adopting rules governing the public disclosure of hydraulic fracturing chemicals.

NOTICE IS HEREBY GIVEN, that the Oil and Gas Conservation Commission of the State of Colorado, pursuant to the above, has scheduled deliberations on the above-entitled matter for hearing on:

Date: **Tuesday, December 13, 2011**
Time: 8:00 a.m.
Place: Suite 801, The Chancery Building
1120 Lincoln Street
Denver, Colorado 80203

The Commission has statutory authority to conduct rulemaking pursuant to section 34-60-105 C.R.S. (the power to make and enforce rules, regulations, and orders pursuant to this article, and to do whatever may reasonably be necessary to carry out the provisions of the Oil and Gas Conservation Act) and has specific authority to promulgate these rules under section 34-60-106 (2)(d) C.R.S., (the Commission has the authority to regulate oil and gas operations so as to prevent and mitigate significant adverse environmental impacts on any air, water, soil, or biological resource resulting from oil and gas operations to the extent necessary to protect public health, safety, and welfare, including protection of the environment and wildlife resources, taking into consideration cost-effectiveness and technical feasibility).

The Commission may take actions, including without limitation, modifying or amending the existing rules described or proposed herein and making conforming modifications to other rules, which it determines are reasonably necessary. The Commission will enter its order adopting such amended rules based on the record made at the December 5, 2011 hearing on this matter.

In accordance with the Americans with Disabilities Act, if any party requires special accommodations as a result of a disability for this hearing, please contact Margaret Humecki at (303) 894-2100 ext. 5139, prior to the hearing and arrangements will be made.

IN THE NAME OF THE STATE OF COLORADO

OIL AND GAS CONSERVATION COMMISSION
OF THE STATE OF COLORADO
