# *Form 2B - eForms release*

- Form 2B is NOW available on eForms
  - Form 2B: Cumulative Impacts Data  
Identification required as part of every OGD
  - Partial Form 2B: required by Rule 803.b.(2).A  
ONLY when converting an existing production well into an injection well

# Form 2B - eForms errors

- Technical eForms related errors/questions
  - Email - [stephen.schwarz@state.co.us](mailto:stephen.schwarz@state.co.us)
  - Include in your email:
    - ◆ Description of the error
    - ◆ Document # of your form in Draft
    - ◆ Screenshot of the error or problem being described
  - Error will be communicated to the development team to fix
    - ◆ Do NOT reach out to our IT Team directly
  - Staff will communicate with you when errors have been resolved or if more information is needed

# Form 2B - eForms submittal

- Form 2B document # MUST be on:
  - Form 2C
  - OGDH Hearing Application
- If you submitted the Interim Form 2B (spreadsheet) attached to a Form 2C:
  - The eForms version of the Form 2B MUST be submitted to replace it; only the eForms version can upload data into the database
  - OGLA Group will work with those Operators who have submitted Interim Form 2B spreadsheets to have the attachment removed once the eForms Form 2B is submitted
    - ◆ OGLA Group will also update IN PROCESS Form 2C's with the Form 2B document #
  - Hearings and/or Permitting will communicate directly with Operators that have already submitted OGDH Hearing Apps with "...Interim Form 2B is attached to the Form 2C..." , if changes are needed

# *Form 2B - eForms guidance*

- Now that the Form 2B is NOW available on eForms, ONLY the eForms version of the Form 2B will be accepted
- Form 2B Guidance from December/January still valid
  - Data field questions and order have not changed, just now in eForms
- Additional final Form 2B guidance, including a Form 2B Checklist spreadsheet are forthcoming
  - Once the final guidance is released, the older guidance from December/January will be archived
