

GEODE - DOE Funding Notice

COGCC Operator Meeting

8/9/2022

COLORADO
Oil & Gas Conservation
Commission

Department of Natural Resources

Michael Rigby

GEODE - Geothermal Energy from Oil and gas Demonstrated Engineering

- Up to \$165 million in total funding
- Initial \$10 million to select an entity to develop a roadmap to address technology and knowledge gaps in geothermal and to leverage existing oil and gas technology and expertise
- The roadmap will be used by the DOE to fund up to an additional \$155 million in research and related projects

GEODE - Geothermal Energy from Oil and gas Demonstrated Engineering

- Funding Notice Link

<https://www.energy.gov/eere/geothermal/funding-notice-geothermal-energy-oil-and-gas-demonstrated-engineering-geode>

- We would be interested in hearing if any Colorado companies are participating in this effort
- There will be a follow up email with this link
