Welcome Monday, July 6, 2015

The Colorado Oil and Gas Conservation Commission (COGCC) is charged with fostering the responsible development of Colorado's oil and gas natural resources in a manner consistent with the protection of public health, safety, and welfare, including the environment and wildlife resources. Our agency seeks to serve, solicit participation from, and maintain working relationships with all those having an interest in Colorado's oil and gas natural resources.

News & Notices

Changes to the Form 2A
Published: 06/16/2015
In anticipation of the August 1, 2015 effective date of certain Floodplain Rules, COGCC has modified the Form 2A.

Job Opportunities At COGCC
Published: 05/28/2015
The COGCC will be hiring for several new positions in the coming weeks. Please check the 'Jobs' page for current and upcoming opportunities.

Quick Links

Forms: The Commission has established official forms that operators and others are required to use for communications with the agency.

Hearings: The Commissioners meet roughly ten times annually to discuss important regulatory issues, vote on proposed rules, and review applications and orders before the COGCC. Please view the hearings schedule for information regarding dates, locations, and topics of discussion for each commission hearing.

Operator Guidance: The Commission provides detailed and timely guidance to operators with regards to the rules, regulations, policies, and relevant forms currently in effect.

Orders: Orders allow the official creation or modification of rules by the Commission. Specifically, orders address issues such as well spacing, increased well density, pooling, and exception locations. Further, orders allow the COGCC to handle enforcement and administrative responsibilities.

Policies: The Commission establishes policies that provide detailed guidelines and clarity within the rules and regulations framework.

Rules: The Commission provides rules and regulations to establish operational standards and requirements for industry activity in the state.

Complainant Rulemaking

Published: 05/21/2015

COGCC announces its 2015 Complainant Rulemaking that will clarify complainants' rights to participate in complaint resolution. Rules 100, 503a & b, 522b & e, & 528c may be amended.

Spill Analysis

Published: 05/14/2015

In an effort to address numerous public inquiries related to spill data, COGCC has created data through the fourth quarter of 2014.

Quick Links

- COGIS Database
- Colorado eForm Login
- [Forms](#)
- [GIS Online Map](#)
- [Help](#)

From the Home page select the GIS Online Map link

On the left hand side of the map are several overlay options. Click the + sign on COGCC Rules to expand the option.

Click on the spacing overlay

A series of dark blue areas will appear on the map. This represents all areas that have spacing orders.

Use the mouse scroll wheel or the zoom tool at the top of the map to zoom in on an area of interest. Double clicking on any individual blue square will bring up a list of all spacing orders applicable to the location.

Spacing Orders

Section: 22
Township: 2S 70W
Meridian: 6
Date: 07/06/2015

Please note:

Your search results are only a guide and that all Orders affect

Cause - Order	Formation Code	Unit Size	Wells Per Unit or Well Density	Section Part
146 - 1	LRMI	0		PART
146	LRMI	0		PART
407 - 37	NB-CD	80	2	ALL

Disclaimer:

Please note that Orders affecting small, site-specific matters

Spacing orders are displayed as well as information pertaining to the unit size and formation code. Clicking on the blue link under "cause-order" will bring up the full order.
